Certificate of Conformity

Issued to Iritech

for test report issued on the 29th of May 2024 for

MOSIP Advanced Compliance Framework (MACP) Biometric Device Requirements for Quality

MOSIP

Certificate No.: 24_BXL031_LOC_10

Device Provider: IriTech
Product: IriShield-USB BK212U
Modality: Iris scanner
SBI Specifications: 0.9.5.
Software Version: 4.8
Test Standards: MOSIP's Advanced Compliance Program (MACP) to the applicable requirements of the Device Profiles document (draft v1.1).

Iritech has successfully completed the biometric certification for the product listed above based on the MACP framework. The evaluation was conducted at the MOSIP accredited lab BixeLab, headquartered in Australia.
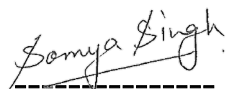

This certificate attests that the product listed above has been evaluated and found compliant with the MOSIP biometric device quality criteria. A detailed test and analysis report supports these findings (24_BXL031_TR_00).

**Validity Period:** 6 months (during which the final certificate will be issued)
